

# Twist 'n Plant®

## THE PROFESSIONAL LANDSCAPER'S GO-TO CHOICE

### TWIST 'N PLANT® PROFESSIONAL SERIES ×28 GARDENING AUGER

#### Specifications

- 7" × 28" (0.18 × 0.71 M) spiral auger
- Rugged 1.25" shaft with double 10-gauge flighting
- Tube steel construction
- Glossy white enamel coating
- Replaceable cutting blades, hex adapter, and pilot auger tip

#### Use this handy tool to:

- Plant gallon-sized annuals, perennials and shrubs
- Bore 7" wide holes in soil up to 26" deep
- Plant 3- or 5-gallon plants by drilling multiple holes or reaming the hole

*The drill must have a ½-inch drill chuck. The DeWalt Mixer/Drill is by far the most field tested – and our best recommendation.*
